

RE: Buy, sell, or advertise in our new marketplace – support local!

Attention friends, family, and small business owners:

We launched our new community online marketplace!

[ONLINE STORE + MARKETPLACE WEBSITE]

Why our marketplace is different

We allow sellers to choose the commission percentage they feel comfortable with when their item or product is sold.

When you buy local, nearly **\$70 for every \$100** spent stays in our local economy, which can lead to job creation and increased economic growth.

BUY AND SELL

When you buy or sell in our marketplace, you are collectively helping our non-profit, local businesses and community to thrive. It is a win-win for everyone.

You have the opportunity to make a positive impact and contribute to our [CITY/TOWN] community in a meaningful way by selling, buying, advertising, and sharing.

ADVERTISE

The top sliding banner on our marketplace is available for **five** advertisers at the cost of: [\$50/month per advertiser].

The carousel below the sliding banner is available for **ten** advertisers at a cost of: [\$25/month per advertiser].

Simply provide us with your image ad and URL to display with the other advertisers.

Thank you in advance for your consideration and support!

Sincerely,

[ORGANIZATION NAME]
